

# Bulletin

New Zealand Fiji Tonga and Samoa Territory  
Office of the Chief Secretary

**Subject: ANNUAL GENERAL CHANGE 2024**

**Date: 24 August 2023**

---

**PRIVATE & CONFIDENTIAL UNTIL 10.30AM (NZ TIME) THURSDAY 24 AUGUST 2023**

I am pleased to announce that the Territorial Commander has approved the following appointments which will take effect on Thursday 11 January 2024.

Please note the following:

Please be assured that all appointments are important and have been considered. Due to the NZFTS Territory awaiting IHQ approval for the Local Mission Delivery model in New Zealand, there are some appointments that may appear to be missing from this Annual General Change Bulletin. We anticipate an additional General Change Bulletin to come out at a later date. Thanks for your prayers and patience at this time.

Additionally, we are in the process of designing a networked approach to Youth and Children's Mission that will give us people in more places providing a wider range of skills and expertise to assist corps and centres. As the design process and recruitment is worked through there will be further announcements, and Next Generations will continue to be a priority area for the Territory.
